**Unlock

Linguistic Genius**

**ICSE ENGLISH  
VIII, IX, X**

**PROSPECTUS 2020-21**

With two papers at the ICSE Board exams and the only compulsory component in the best of 5 scores (English + best 4), the importance of English cannot be understated. 'VEA' will make you fall in love with the intricacies of language, unravel layers of meaning and give different hues to the words altogether. Here Shakespeare's characters come to life, the gems of 'Treasure Trove' mesmerize you and there is a little craziness about grammar which will make for a fascinating journey. What you take away is a great score and greater confidence after learning the nuances of the language.

## Our MANTRA to create a CHAMPION...

### Concept Clarity

A research driven pedagogy which inculcates path breaking techniques including Bloom's Taxonomy, Multiple Intelligence theory, Left Right Brain coordinated thinking, Experiential Learning and Dramatisation to name a few. These have been encapsulated into our various teaching modules.

### Heart - Connect

We believe in being much more to our students than just English teachers. We develop a great rapport with our students in a super friendly atmosphere of the classroom. This helps them to ask their doubts without any inhibitions thereby strengthening their learning process.

### Accurate Assessment

The various tests we take in our well-planned test series, the timely and accurate assessment of what went wrong (if it did), the extra question papers and all answer keys that we put on our website - [www.vikramsgenglishacademy.com](http://www.vikramsgenglishacademy.com) go a long way in ensuring that the students face their school exams and the board exams with supreme confidence. We leave no stone unturned to ensure that the students get a robust testing mechanism.

### Motivation

Sometimes, all that the students need is a patient ear, a gentle push or a pep talk. We ensure that need-based counselling is provided if required. For the students of tenth standard a special session called 'Milestone' is conducted. It proves to be a game changer for many a student.

### Precise Study Material

Just as overeating does not lead to good health, overfeeding the students with study material does them more harm than good. Our in-house notes have been designed keeping the requirements of the board exams in mind and offer a stress free and wholesome preparation for their exams. The literature notes are loaded with the key words to maximise scoring. Likewise the English language notes have plenty of Grammar worksheets, comprehensions and essays to facilitate the English language preparation.

### Innovation

We are known for bringing a breath of fresh air to the academic outlook of our students. Our innovative website offers extra grammar practice exercises which they can solve live on the website (with instant correction). Similarly there are many essays to peruse, some of which have been written by the board toppers. And extra question papers and answer keys too are put up on our website.

### Organised System

We pride ourselves on a firm no-change timetable, a well-planned test series, and instant updates and reminders to parents and a responsive mechanism to address all the queries of the parents. It makes for a hassle free interaction with the institute.

### Never Ending Support

We don't mind burning the midnight lamp for our students. Quite literally so ! Our team members are at the centres for 10/12 hours each day and round the clock (24 hour helpline) during the board exams.

ICSE  
ENGLISH

My experience with VEA is one I'm definitely going to remember for life. The countless keyword tests, the entertaining songs to help us remember our grammar, the unique and fun teaching style and most of all, the immense support and motivation that both Vikramjit Sir and Kripa Ma'am shower upon their students is what this academy is all about. Learning from them is truly an adventure every student should experience.

*Aparajita Srinivasan - Average English Score - 97 at ICSE ; Billabong English Topper & School Topper*

Today's children are very mature, sensible and focused with appropriate passion, provided they are guided well and handheld where required. This is what I found to the highest degree, in VEA, a practical and down to earth approach and no overindulging or condescending attitude towards the students. The comfort of knowing that the teachers are accessible, unconditionally for any of their doubts made this arduous journey easier. Words fall short, and a mere thank you would be undermining their enormous efforts.

*Dr Madanki Srinivasan (Aparajita's mother) Prominent Gynecologist and Infertility Specialist*

The experience and memories at VEA will always be unmatched in our lives. Though, I always had a knack for languages, Vikramjit Sir and Kripa Madam helped me see and clear doubts that I would have overlooked. The Merchant of Venice, despite being a great work of literature, can also tend to be a confusing part to the syllabus, but Sir ensured that we gained confidence to attempt any questions in our way. The last minute grammar tips and the examples provided on the website allowed me to walk into the exam hall confidently, knowing that the English exams were going to be a breeze.

*Janhavi Deshmukh - Average English Score - 97 at ICSE ; Billabong English Topper*

Vikramjit Sir stands out as an innovator in teaching English. He is an amazing professional teacher & with his creativity, unique approach, high energy and integrity makes learning fun, brain friendly and effective. His idea of utilizing rhythm in his methodology was brilliant and innovative. The keyword tests are a masterful success of the whole course. The study material was precise and to the point with important keywords.

*Advaita Panicker - Average English Score - 96 at ICSE ; SSRVM English Topper & School Topper*

Advaita was strong in English and I was looking for a class that would bring out the best in her. I was indeed lucky to find VEA. Vikramjit Sir's and Kripa Ma'am's outstanding sessions make you relish unforgettable moments of learning English in a lively way full of energy. I simply loved the way they inspired Advaita to embrace the subject. Vikramjit Sir is a revolutionary teacher who challenges the monotonous and conventional teaching through his unique and innovative approach.

*Mrs. Deepa Panicker - Mother of Advaita*

Vikram's English Academy made learning English really fun. The short videos and key word tests made learning, the otherwise quite difficult 'The Merchant Of Venice' very very easy. The study material provided and the various tests conducted here further strengthened my preparation and gave me much needed confidence. I would really like to thank Vikramjit Sir for his support in correcting papers even just a week prior to the board exams.

*Shivam Shetty - Average English Score - 95 at ICSE ; J.K. Singhania School*

It's been a privilege to even attend this institution and there aren't enough nice words in the Oxford dictionary to praise the two teachers who I was blessed to have. We enjoyed each and every class and it's a little heartbreaking to realise that I won't be going there anymore to learn English from the masters of the subject.

*Vidula Barje - Average English Score - 95 at ICSE ; Euro School*

My journey at Vikramjit Sir's class had always been full of surprises. Every other week Vikramjit Sir and his team found innovative techniques to make our classes fun and easy to learn. Out of his many many talents, his way of teaching 'Merchant Of Venice' and ability to portray it as a classic comedy is the best. Not to forget the zillion efforts of Kripa Ma'am to explain each and every chapter not as a lesson to learn but as a beautiful story in itself.

# Testimonials

A good teacher is like a candle- it consumes itself to light the way for others. I consider myself lucky as I got admission to VEA. Vikramjit Sir and Kripa Mam are the best examples of this statement. Though English was a subject that I didn't like, they made it one of my favourite subjects. The way Sir taught made MOV super fun and lively. The key word tests made it very easy to remember MOV. The notes provided by the academy are more than enough and sufficient to fetch you 100/100 in Literature. A month before the boards we solved at least 10-12 prelim papers of the best schools in Mumbai which helped me a lot. The remix of songs made by DJ VK made it very easy to memorise grammar rules. Mam and Sir were available at all times to solve my doubts. Sir even cleared my doubt literally 15 mins before the board exams. Such a bond was formed with Sir that after my English paper I called Sir before even calling my mom.

*Parshwa Gada - Average English Score - 94 at ICSE ; Euro School Topper*

Grade 10 was indeed a difficult year. The pressure of parents, relatives, teachers and peers seemed more than that of those books. But in every difficult phase, a teen not only needs academic support and guidance but a little hope, belief, love and emotional strength. That is something I can never be grateful enough for. Vikram's English Academy has never let me fall short of anything! Staying up all night before the board exam is something I've never seen any teacher do and I whole heartedly appreciate that effort.

*Gayatri Khadke - Average English Score - 95 at ICSE ; Euro School*

I was a part of VEA for 3 years and it was surely a wonderful journey not just in the world of English but in all spheres of learning and development. Vikramjit Sir with his amazing teaching technique made me love literature like never before. The study material, be it literature or grammar, was very self-sufficient and immensely helped me throughout these 3 years. The answer keys and the innumerable grammar exercises on the website were a boon too!

*Sachi Dhuped - Average English Score - 95 at ICSE ; JK Singhania School*

English lectures at VEA used to be the most awaited class in the entire week. The Merchant Of Venice by Shakespeare, which was the most feared and challenging, turned out to be extremely interesting. The MILESTONE and the LATERAL THINKING sessions have made a long-lasting impression on me. He was my inspiration and always encouraged me, bringing out the best in me. Also, the helpline "THERE FOR YOU" was a blessing, where I recall Vikramjit Sir and Kripa Ma'm answering to the doubts even at 3 in the morning on the day of our board examination."
